POST Lottery-Enrollment Application Form 2020-2021 School Year

The parent or guardian is responsible for obtaining a signed and dated copy of this enrollment application to have as evidence of submission. As a secondary confirmation to you, the school will email or call each applicant within two business days of receipt. Please call the school if you don't hear from us within this timeframe.

Your child must be 5 years of age by August 31, 2020 to be eligible for Kindergarten registration. If the number of applications for any grade level exceeds the number of openings, the JPTA lottery procedure will follow. Please visit our school website for our Enrollment and Lottery policy.

The Lottery was held March 12th, 2020.

As a result, your child will not be placed through the lottery process. One of the two scenarios apply:

- 1) If there is an open space in the same grade that your child is seeking enrollment **and** no other individuals are on the waitlist for that open space, your child will be offered that space; or
- 2) If there are already individuals on the waiting list for the grade level that your child is seeking enrollment, your child will be placed in the next wait list position for that grade level.
