

J. PAUL TAYLOR ACADEMY

Recapturing the Joy of Learning - Recapturar la Alegría de Aprender

Governance Council Treasurer Needed

J. Paul Taylor Academy (JPTA) is a highly rated, public charter school located in Las Cruces, NM. It provides education to 200 students in grades K-8. JPTA utilizes a project-based learning approach and has a focus on Spanish Language Acquisition. The school's first year of operation was 2011-2012.

JPTA's 6-member Governance Council (GC), which is also known as the school board, is made up of JPTA parents and community members. The GC is a wonderful group of volunteers who oversees the administration of the school, develops policies, and monitors the implementation of the budget.

The GC is seeking a volunteer with accounting and/or bookkeeping experience to join our Governance Council as Treasurer and be part of the leadership of JPTA. The position would involve chairing the Finance and Audit committees and would require between 5-10 hours of volunteer time per month.

Please consider volunteering to give back to our community by serving in this very important role for our youth.

If you are interested in applying for the position, please join us at our next GC meeting in the Media Center (library) at JPTA (402 W. Court Avenue, Building 2) to determine if it'd be a good fit for you.

Visit the GC webpage for the meeting calendar, past agendas and minutes, and other information:
